Types of Public Office

There are two types of public office in Oregon, partisan and nonpartisan.

Partisan Offices

A partisan office is an office for which a candidate may be nominated by a major or minor political party or as a nonaffiliated candidate. These include

- County Commissioner (unless county home rule charter or ordinance specifies otherwise)
- Precinct Committeeperson

Nonpartisan Offices

A nonpartisan office is an office for which a candidate does not run under the name of any political party.

Offices may include:

County Commissioner (unless county home rule charter or ordinance specifies otherwise), County Clerk, Sheriff, County Assessor, County Auditor, County Treasurer, County Tax Collector, County Surveyor, County Legal Counsel, Justice of the Peace, Mayor, City Councilor, Municipal Judge, Board Member, Director of a District, All Special District offices, any elected office of a metropolitan service district under ORS chapter 268 and any office designated nonpartisan by a home rule charter or ordinance.

For local offices not listed, please contact the local elections official to determine whether the office is partisan or nonpartisan.

Filing Methods for Public Office

Generally, candidates may file for public office by:

- submitting a completed candidate filing form and paying the required filing fee, if any

or

- submitting a nominating petition containing the required number of valid signatures

A prospective petition may be filed at any time. However, candidates need to allow enough time for signature collection and signature verification to be completed by county elections officials prior to the filing deadline.

See the Filing Requirements on pages 9, 11, 20, 22 and 24 for filing fees and deadline to submit completed forms.

Candidate filing forms can be submitted by:

- mail

- fax

or

- as a scanned attachment to an email

Multiple Nominations to Public Offices

In Oregon, partisan candidates who have been nominated by multiple political parties or by other nominating processes may select up to three parties or designations to be printed with their name on the ballot. Candidates may also choose the order in which the parties or designations are listed. When selecting political parties or other designations the following rules apply:

	Candidate is nominated by	Information and default order listed on ballot
Member of political party	Party of which candidate is member	Party of which candidate is member followed by no more than 2 additional parties in alphabetical order
	Party of which the candidate is not a member	Not more than 3 political parties listed in alphabetical order
Not affiliated with any political party	Individual or Assembly of Electors	Nonaffiliated designation followed by not more than 3 political parties listed in alphabetical order
	Any political party	Not more than 3 political parties listed in alphabetical order
<p> Candidates may choose a different order in which parties or designations are listed, except if the candidate is nominated by a political party of which they are a member that party will be listed first or if the candidate is nominated by individual or an assembly of electors, the designation nonaffiliated will be listed first.</p>		

Running for Multiple Offices

Candidate can file for more than one position as long as the offices are:

- not on the same district board
- not lucrative
- not a city office on the same ballot; and
- not for more than one precinct committeeperson office

Campaign Finance Reporting

Oregon campaign finance law requires each candidate to establish a campaign account and file a Statement of Organization designating a candidate committee within **three business days** of first receiving a contribution or making an expenditure unless the candidate is:

- A candidate for precinct committeeperson
- or
- A candidate who serves as their own treasurer, does not have an existing candidate committee and does not expect to receive or spend more than \$750 during a calendar year.

 The \$750 includes personal funds spent for any campaign-related costs, such as the candidate filing fee and voters' pamphlet filing fee. If at any time during a calendar year the candidate exceeds \$750 in either contributions or expenditures, the candidate must establish a campaign account and file a Statement of Organization within **three business days** of exceeding the \$750 threshold.

Candidates that do not meet the criteria above file a committee through ORESTAR or by filing the following paper forms:

Form SEL 220, Statement of Organization for a Candidate Committee

and

Form SEL 223, Campaign Account Information

Campaign Finance law also requires the filing of transactions electronically.

The Secretary of State developed ORESTAR, a secure web-based electronic reporting system for candidate and voters' pamphlet filings and all campaign finance reporting. Committees must use ORESTAR to file campaign finance transactions unless the committee is eligible to file a Certificate of Limited Contributions and Expenditures.

For further detail on campaign finance reporting requirements, candidates should review:

See the [Campaign Finance Manual](#) and the [ORESTAR User's Manuals](#) available at www.oregonvotes.gov.

Qualifications for Public Office

Qualifications for various public offices differ. Before filing for public office, a candidate should review the constitutional and statutory requirements for the office sought.

See the qualifications for most offices provided in each applicable section.

However, qualifications for city or district office are governed by city charter or ordinance or district by-laws and are not provided. Contact the local elections official for more information.

Minor Party Candidates – County

Filing Methods for a Minor Party Candidate

Minor political parties may nominate candidates for any partisan office, including federal, state and county offices, as long as the party has been established within the electoral district and maintains ballot access.

A minor political party nominates candidates either by convening nominating conventions that comply with state law or party by-laws. Candidates that are nominated by a recognized minor political party complete and file with the appropriate elections official the following:

Form [SEL 110 Candidate Filing – Minor Political Party](#) with the Candidate Nomination Certificate executed by a party officer and notarized

Nonaffiliated Candidates – County

To qualify for nomination by individual electors or to conduct an assembly of electors, a candidate cannot be registered to vote as a member of any political party as of March 3, 2016.

Filing Methods for a Nonaffiliated Candidate

Candidates who are not a member of any political party may file for a partisan or nonpartisan office on the general election ballot by completing one of two processes :

→ Individual Electors

A nomination by individual voters involves obtaining a required number of valid signatures from registered voters.

or

→ Assembly of Electors

An Assembly of Electors involves a gathering of registered voters in one place at one time to nominate candidates to partisan office.

Individual Electors

ORS 249.740

A nomination by individual electors involves obtaining the required number of valid signatures from registered voters.

Prospective Petition

Prior to obtaining any signatures candidates must file the following to begin the signature sheet approval process:

Before submitting signature sheets for verification, the candidate must:

- ensure each signature sheet certification is signed and dated by the circulator

File Notice and Signature Sheets

To receive final approval to convene the assembly the candidate or presiding officer files:

→ a copy of the published notice

and

Form [SEL 116 Candidate Signature Sheet – Assembly of Electors](#) with all fields completed and if applicable designating at least two individuals as committee members with the authority to fill vacancy in nominations

See [Signature Sheet Requirements](#) on page 27.

If the published notice is not timely filed with the elections official or does not meet the requirements, the assembly of electors will be cancelled. In coordination with the elections official the candidate or presiding officer may reschedule the assembly.

The notice must be published and filed with the elections official no later than the 10th day before the nominating convention. ORS 249.735(3)

Approval to Convene Assembly

Once the candidate or presiding officer files the required information the elections official will review for completeness. If complete the elections official will provide written approval to conduct the assembly of electors that will include:

→ petition number

→ number of signatures required

→ filing deadline

All signature sheets must be approved in writing by the elections official before conducting the assembly. Failure to do so will result in the rejection of the signature sheets.

Obtain Affidavit for Proof of Publication

An affidavit for proof of the published notice is obtained from the newspaper. The affidavit must be attached to a copy of the notice and signed by one of the following:

→ the newspaper's owner

→ editor

→ publisher

→ manager

→ advertising manager

→ principal clerk of owner/editor/manager

or

→ printer or printer's foreman

The affidavit is not submitted until the candidate or presiding officer files the completed petition with the elections official.

Convening the Assembly of Electors

The presiding officer is advised to have more than the required number of participants attend to ensure the minutes contain a sufficient number of valid signatures and upon convening the assembly, the presiding officer must explain:

- the nominating convention is held in one day in one location and is completed within twelve hours or the process must begin again
 - assembly participants must be active registered voters within the electoral districts from which the assembly is nominating candidates
 - candidates may only be nominated for offices published in the notice
 - the candidate receiving the highest number of votes will be the nominee of the assembly for that office
 - only assembly participants may sign approved signature sheets
 - all signers on a signature sheet must be registered voters in the same county
- and**
- once the required number of registered voters are present they must remain in the assembly location until candidates have been nominated, signature sheets are signed and the convention is adjourned

Vacancy in Nomination

If a vacancy in nomination occurs it may be filled in either of the following ways:

- The presiding officer may reconvene the assembly following the same rules as the original assembly. The assembly is considered the same assembly if the presiding officer and secretary are the same as during the original assembly.
- or**
- A committee designated by the original assembly selects a nominee to fill the vacancy. The committee is appointed by vote during the original assembly and is comprised of at least two persons as indicated on form [SEL 116](#). The committee only has the authority to select a nominee to fill the vacancy if the petition has the required number of signatures.

In either situation a certificate of nomination designating the nominee filling the vacancy must be completed and filed with the elections official.

The vacancy must be filled no later than the 70th day before the general election, August 30, 2016.

Adjourning the Assembly of Electors

After the assembly has completed the nomination process and selected the committee to fill vacancies, if any, the assembly is adjourned. The elections official collects all completed signature sheets and stamps each sheet under the last signature line signed to ensure no additional signatures are added. The signature sheets will be returned to the presiding officer.

Signature Verification

The presiding officer submits the signature sheets to the appropriate county elections official for verification allowing sufficient time for the verification process to be completed prior to the filing deadline.

Before submitting the signature sheets for verification, the presiding officer must:

- ensure each signature sheet certification is signed and dated by the circulator
 - sort the signature sheets by county, if required
- and**

→ number each signature sheet sequentially within each county in the space provided

The county elections official verifies the original signatures against the voters' registration record and returns the certified signature sheets to the presiding officer of the assembly.

Completing a Petition

To complete the petition process the candidate or presiding officer must submit to the elections official:

Form [SEL 115 Candidate Filing – Assembly of Electors](#) with the Certificate of Nomination that has been executed by the presiding officer and secretary of the assembly and notarized

The Certificate of Nomination may be executed and notarized on a copy of the [SEL 115](#) originally submitted. If executed and notarized on a new [SEL 115](#) all sections of the form must be completed.

and

→ proof of published notice affidavit

Signature Tally

The elections official reviews each signature sheet to ensure that:

→ sheets are sorted by county if required, numbered sequentially within each county in the space provided

After reviewing the sheets the elections official tabulates the number of valid signatures contained on the accepted signature sheets and notifies the candidate and presiding officer of the final tally.

Write-In Candidates

ORS 254.548

Oregon voters have the option of writing in the name of a candidate for any office instead of voting for a candidate printed on the ballot. Write-in votes are tallied together with a lump sum recorded for each office unless there is no candidate on the ballot, or the total number of write-in votes exceeds the candidate with the most votes.

A candidate seeking nomination or election to office by write-in does not complete any candidate filing forms but must qualify for the office and may be required to establish a campaign account and file a Statement of Organization designating a candidate committee.

See the [Campaign Finance Manual](#) and the [ORESTAR User's Manuals](#) available at www.oregonvotes.gov.

Prior to sending a notification to any person who is nominated or elected by write-in, the filing officer will conduct a review of the qualifications of the office. If the person who received the most votes does not qualify for the position, the office becomes vacant.

If any individual is nominated or elected by write-in votes, the procedures for accepting the nomination of office are explained in the following sections:

Notification

The elections official notifies the candidate by sending:

Form [SEL 141 Write-In Candidate Acceptance](#)

Acceptance of Nomination or Office

To accept the nomination or office, the candidate completes, signs and returns form [SEL 141](#) to the elections official.

Certificate of Nomination or Election

Upon receipt of the completed and signed [SEL 141](#) the elections official prepares and delivers a certificate of nomination or election to the candidate and if applicable, issues a proclamation of election.

Certificate:	June 26, 2016	December 18, 2016	June 25, 2017

Vacancy

A vacancy in office may occur at any time during a term of office, even before the person takes the oath of office or before the term ends.

- The processes for filling a vacancy are dependent upon the type of office and when the vacancy occurred, not why the vacancy occurred.
- Reasons for vacancies may include death, resignation, disqualification or recall.
- ORS 236.320 provides that resignations for public office shall be in writing and filed with the appropriate filing officers

The Oregon Constitution, Oregon Revised Statutes and Oregon Administrative Rules have applicable sections regarding vacancies. The Oregon Constitution and Oregon Revised Statutes can be searched [here](#). The search can be narrowed by using the ORS General Index. Oregon Administration Rules are found [here](#).
