

PO Box 490, Lowell OR 97452

DEVELOPMENT APPLICATION - TYPE II

Administrative Decision - City Administrator or Designee

The following information must be fully completed in order to process your application. All Type II applications may be re-classified as a Type III procedure. If reclassified, additional information may be required. Some types of applications also require supplemental information, as noted below. All decisions shall address approval criteria, including applicable requirements of any road authority. Applications missing required information may be deemed incomplete. Based on the criteria and facts contained within the record, an application deemed complete shall be: approved, approved with conditions, or denied. By signing the application below, applicant acknowledges that if the total cost to the City exceeds 125% of application fees collected, applicant will be required to reimburse the City in accordance with Ordinance 228. Thank you for your cooperation.
